

11000 Portal Road Atascadero, CA 93422

Views, views, and more views!! All to be enjoyed from a lovely home that is comfortable, well maintained, and planned so that these remarkable views can be enjoyed from throughout the house.

Located on 7+ acres near the corner of San Marcos, Portal, and Escondido, the location is quiet and private, while being close to downtown Atascadero and Highway 41 West. The well thought-out 2500+ sq.ft floorplan includes 3 bedrooms, 2 ½ baths, living and family rooms, spacious decks, and basement storage area. There is also a large, detached, covered RV parking structure.

Don't miss this exceptional opportunity to live with the world at your feet and oak trees overhead.

Priced at \$754,800
