

6490 Santa Ynez Avenue Atascadero, CA 93422

This lovely and solid family home was built in 2003 and offers 2 bedrooms/ 1 bath with a big 2-car garage provided with built-in storage. The kitchen is spacious and includes a dishwasher, gas oven and range, and a handy/closeted washer and dryer with shelving. The home is surrounded by attractive, established landscape with well-designed irrigation system. A fully-fenced and gated backyard with stone/brick walkways opens into a private patio. In the front yard star jasmine graces the charming, low split-rail fence and encloses a green lawn with sycamore trees. During hot summer days the house stays remarkably cool due to its orientation, the buffering 2-car garage, and the shade of the tall majestic trees throughout the scenic neighborhood. Conveniently situated in Atascadero, this is a wonderful place to call home
